14 On April 23, 2012, petitioner Shaun Wiley submitted to this Court for filing a proposed  
15 petition for writ of habeas corpus together with an application to proceed with this action *in*  
16 *forma pauperis* (“IFP application”). (*See* Dkt. No. 1.) On the same date, the Clerk sent  
17 petitioner a letter advising him that his IFP application was deficient because he failed to submit  
18 a certified copy of his prison trust account statement showing transactions for the last six  
19 months. (Dkt. No. 3.) Petitioner was advised that his failure to correct the specified  
20 deficiency by May 23, 2012 could result in dismissal of this case. (*Id.*) To date, petitioner has  
21 not responded in any fashion to the Clerk’s letter.

01 As plaintiff has had ample time to correct the deficiency in his IFP application, but has  
02 failed to do so, this Court recommends that the instant action be dismissed without prejudice for  
03 failure to prosecute. A proposed Order accompanies this Report and Recommendation.

04 DATED this 14th day of June, 2012.
